Printed Curtains & Wallpapers

Welcome to the enchanting Jardin Collection, where the beauty of English country florals blooms on luxurious slub-textured cotton linen fabric. With six captivating designs, this collection transforms your space into a garden oasis. First, experience the ethereal allure of Ombre, a textured sheer curtain that gently diffuses light, followed by Aster, a floral trail print evoking the charm of wildflower meadows. Delve into the intricate abstract liner pattern of Roots, and bask in the delicate charm of Blossom's floral bunch print. Azalea offers a refined monotone floral trail, while Peony captivates with its brush-stroke-inspired large floral motif. Available in six soft hues inspired by natural dyes, each curtain whispers of indigo skies and madder sunsets. Coordinated with three matching wallpaper designs and artisanal textured plains, the Jardin Collection offers endless possibilities for creating a harmonious and inviting atmosphere in your home. Embrace the beauty of nature with Jardin, where every curtain tells a story of floral elegance and timeless charm.
